

## Good Man Blues

What makes a good man sing when his ears ain't hearin' no song?  
What makes a good man sing when his ears ain't hearin' no song?  
What makes a good man cry when he knows his life has gone wrong?

How can a good man love when his lovin' woman ain't near?  
How can a good man love when his lovin' woman ain't near?  
Why should a good man talk when there ain't nobody to hear?

Why should a good man sing when there ain't no songs in his soul?  
Why should a good man sing when there ain't no songs in his soul?  
What can a good man say when his head ain't ready to roll?

How can a good man love when his soul's been livin' alone?  
How can a good man love when his soul's been livin' alone?  
When he knows in his soul that his soul ain't goin' to be known?
